Governor Rick Snyder
Executive Office of the Governor
P.O. Box 30013
Lansing, Michigan 48909

Governor Snyder,

Thank you for your letter on October 2, 2015, regarding the state of Michigan's plans to respond to the crisis regarding the drinking water in Flint, Mich. I encourage you to immediately implement the action plan outlined so that Flint residents can have safe drinking water.

Moreover, you asked for my assistance in working with federal agencies to address this issue. Due to the urgent nature of this issue, I want to update you that my staff and I are working closely with Senators Stabenow and Peters and have been in communication with the appropriate agencies. I will continue to do everything I can to help address this issue at the federal level.

On September 22, 2015, I previously wrote letters to the U.S. Environmental Protection Agency, Department of Health and Human Services, Centers for Disease Control and Federal Emergency Management Agency requesting immediate assistance to provide safe drinking water to Flint.

In addition, on March 26, 2015, I sent a letter to the U.S. Environmental Protection Agency asking them to clarify if there is any statutory limitation on states to forgive the principal on loans made through the Safe Drinking Water State Revolving Fund.

Again, thank you for beginning to utilize your office's resources to help address the water quality in Flint. I look forward to working with you on the shared goal of helping the residents of Flint have safe drinking water.

Sincerely,

Dan Kildee
