Sigma Chapter Centennial - Charter Weekend

Today (2/22/22) we officially celebrate 100 Years of Achievement at the Sigma Chapter of Kappa Alpha Psi Fraternity Inc. on the campus of the University of Michigan Ann Arbor.

This past weekend was epic! We recognized our Centennial with an in-person ribbon cutting (unedited) ceremony, a virtual toast spanning members from 1953-2019 totaling nearly 80 members and a virtual Charter Day. This included 1953 line brothers William "Bill" McCullum (Ann Arbor Ypsi Alumni Chartering Member) and Denzer Burke (Texarkana Alumni Chartering Member) reconnecting once again after many years of separation.

Thank you Brothers Kevin Scott (Grand Historian), Joe Louis Jr. (Chief of Staff), Michael V. Roberts (81st Laurel Wreath Awardee), Michael Kinloch (Northern Province Provincial Polemarch) and Glenn Moore (Detroit Alumni Polemarch) for "zooming" into our Charter Day Celebration and sharing uplifting words with our chapter brothers.

While many of our events were virtual, the bond was strong throughout the weekend.

We look forward to several formal and informal in person events this summer and fall.

I trust that you are doing well and that you returned home safely from Ann Arbor without issue. As the chair of the Sigma Chapter Centennial Program, I humbly serve my chapter brothers and lead a group of black men who personify achievement. On behalf of the committee, I want to thank you for traveling back for an epic weekend! [We are sorry if you were unable to make the journey, but hope to see you this Fall during the University of Michigan Homecoming weekend.]

Gala Weekend - 5 Years 3 Days and a Lifetime of Memories

After five years of planning, we executed 3 exciting days of activities this past weekend. The Golf Outing at StoneBridge Golf Club in Ann Arbor, Reception at the Detroit Kappa House, Black Tie Gala, and Family Picnic set a new bar on how to ***recognize 100 years of honorable achievement in every field of human endeavor***. This weekend was also a success in reclaiming and reenergizing brothers to help take Sigma Chapter to higher heights.

This would not have been possible without the thorough and hard work of every member of the Sigma Chapter Centennial Committee below. I am overjoyed about last weekend and feel the need to share the highlights in this document posthaste.

Gala Weekend - Friday - Golf Outing

This event allowed Sigma Chapter and other brothers to reconnect while enjoying a favorite pastime. It was well attended with nearly 50 participants. It also served as a great introduction to the 2022 Sigma Chapter initiates. Summary Video

Gala Weekend - Friday - Reception - Historic Detroit Kappa House

The Reception brought together people from all eras. The fellowshipping at the historic Detroit Kappa House created an even greater way for brothers from Sigma and other chapters to reunite along with family and friends.

Golfing and fellowshipping definitely set the tone that the weekend was going to be epic.

Gala Weekend - Saturday - Sigma Chapter of Kappa Alpha Psi - Centennial Gala

Let me start by saying that I am still processing this evening so this synopsis is one of many updates to follow. The affair was classy from the start, which included beautiful and elaborate floral centerpieces prepared by an extraordinary florist, Damien Duff (Sigma 1991). The food was delectable. We were entertained by 3 excellent acts: Zania Alaké (Vocalist), Daryl Beebe (Saxophonist) (fellow Alpha Upsilon Nupe) and Horace Sanders (Comedian).

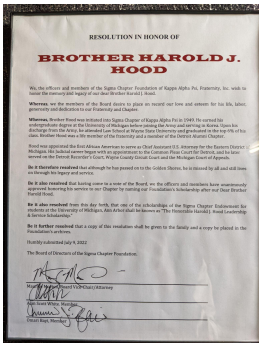

The keynote speaker, Dr. Vernon Brian Williams MD, (Sigma 1986), a brilliant raconteur, eloquently reminded the brothers that they are Black Superheroes fully capable of fighting for the access, representation and justice of those who are powerless, marginalized and underrepresented.

My dad got his "propers" as he would say. He was formally recognized by the Sigma Chapter Foundation who named the Foundation's first scholarship in his honor (a humbling surprise to me).

RESOLUTION IN HONOR OF

BROTHER HAROLD J. HOOD

The event was well attended and included over 100 brothers spanning Sigma Chapter from 1961-2022, and included members from Detroit Alumni and Ann Arbor Ypsilanti Alumni Chapters. The brothers were accompanied by nearly 70 guests.

While the chartering members of Sigma Chapter, Brothers Rudolph T. Ash (Alpha - 1914 - Indiana University), Joseph Hurlong Scott (Epsilon - 1915 - Lincoln University) and George R. Dorsey (Zeta - 1915 - Ohio State University) might not have envisioned a world that we live in today, they truly could have imagined (and would've been very proud of) a night like this one. This was definitely a Night to Remember.

Gala Weekend - Sunday - Family Picnic

The picnic closed out an amazing weekend by bringing together fraternity members, families and friends to break bread and enjoy some great music one last time before returning home.

Brothers were blessed to bond with Brother Willie Greene, (Sigma 1952), seated next to the newly elected 2022-2023 Sigma Chapter Polemarch, Nicholas Daniel. Brother Green is also featured in the following video along with three high achieving Sigma Chapter Brothers from his era: Meet Up with Brothers from the 1950s Here's a glimpse of the picnic: video

Say Sigma Chapter on 1…

July 2022 - Sustaining a Legacy of Achievement - The Sky's the Limit

Over the years, Sigma Chapter has issued scholarships to qualified students. This commitment has been an integral part of the chapter's annual "Night at the Set" Talent Show since 1989.
As we embark on the next 100 years of achievement, we will build on our legacy of service through the creation of a permanent endowed scholarship for deserving students at the University of Michigan, Ann Arbor.

The Centennial Committee decided to focus initially on increasing access and the success rate for Black men who are currently among the lowest group attending and graduating from the university when compared by race and gender.

To fulfill this commitment, our short-term goal is to raise $100,000 by 2022 to ensure that we can award $4,500 in scholarships per year (based on earned interest and initial discussions with the University of Michigan), beginning the Fall semester of 2023. We are currently at 66% of our goal ($66,472) and are grateful for all of the heartfelt donations to date. We hope that you will consider helping close the gap by making a donation. Given that the Sigma Chapter Foundation is a 501(c)(3) organization, please explore corporate matching with your employer when making a donation. Please see the program's prospectus for more information.

Supporting Our Brothers

The Sigma Chapter Foundation established the Sick & Chapter Invisible committee to assist Brothers who are dealing with health challenges, and to present a plaque, resolution and floral arrangement to the family of Brothers who have reached the Golden Shore. Brothers Heckstall, Dukes, and Bayi are integral to the success of this program.

RESOLUTION
By the Sigma Chapter University of Michigan – Ann Arbor (MI)
BROTHER JAMES H. HORN

FORWARD, this Resolution was authorized by the SIGMA CHAPTER in an expression of sorrow and the universal sorrow of the fraternity membership within Kappa Alpha Psi for the loss of Brother JAMES H. HORN

WHEREAS, Brother Horn was a good and faithful member of Kappa Alpha Psi since the date of his initiation in 1964 in the Sigma Chapter of Kappa Alpha Psi, and

WHEREAS, the quality of life of many Brothers has been enhanced by the contributions of this leader, and

WHEREAS, Brother Horn imbued the fundamental purpose of Kappa Alpha Psi Fraternity, Incorporated, "Achieving in Every Field of Human Endeavor" during his entire life, and

WHEREAS, he shall be sorely missed by many Brothers throughout the Northern Province, now therefore

BE IT RESOLVED, that the members of the Sigma Chapter shall honor the memory of our departed brother with praise for his dedicated service to this chapter, and the fraternity,

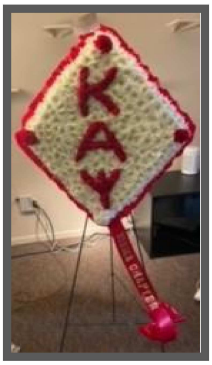

BE IT FURTHER RESOLVED, that although the members of the Sigma Chapter are extremely saddened by the sudden transition of our Brother, we are thankful to God that we had an opportunity to know and love him, and

BE IT FINALLY RESOLVED, that a copy of this Resolution, be given to his beloved family, expressive of the love of his Brothers and the esteem in which he was held by his many contributions and fellowship.

Reclamation and Archives

The Sigma Chapter Foundation established a Reclamation and Archives Committee with 3 goals: reclaim brothers, update the chapter's scroll, and establish a digital archive of Sigma Chapter History (in partnership with the Bentley Historical Library at the University of Michigan). Under Brother Alan Scott White's leadership, the program has collected over 1000 pictures, Zoom-interviewed brothers spanning 1952-2022 and updated the chapter's scroll to recognize brothers that have transitioned to Chapter Invisible and resolve clerical errors.

Enhancing Our Archives

If you would like to add to the digital archives, please email pictures, ball books, etc. to photos@sigmachapterfoundation.org. If you have a unique physical artifact that you would like to be considered for a time capsule being created in partnership with the Bentley Library, please make mention of it in your email.

Brother White's efforts resulted in a phenomenal article about the history of Sigma Chapter in the Kappa Alpha Psi Journal.

We would like to interview as many brothers as possible about their time at the University of Michigan as part of creating an extended version of Sigma Chapter history. Please contact alanscottwhite@sigmachapterfoundation.org if interested.

Tribute

In addition to a formal interview, we are asking brothers, family, friends etc. to give Sigma Chapter a video shoutout (30 seconds to 1 minute) via the Tribute Platform.

Merchandise

Many thanks to Sigma Chapter Foundation's Creative Director, Brother David Campbell for creating a Centennial Logo. What's Next? (July 14th Post)

We will be hosting a Tailgate gathering on Saturday, September 24th and a Chapter Brunch in conjunction with the undergraduate brothers (affectionately known as the NOTY "Nupes on the Yard") on Sunday, September 25th from 11- 2 PM at the Sheraton Hotel in Ann Arbor, Michigan.

You can still purchase tickets for the Homecoming Game; use promo code Kappa100 at mgoblue.com/go/promo. Game tickets are $80 each plus a one time $10 service charge per order. We only have 100 tickets for Brothers and the max purchase is 4 per person. **The deadline to purchase is July 18th**. At that time, we will release any unsold tickets to UMBA.

Given that it is homecoming weekend, we cannot reserve a block of rooms for brothers. Please let us know if you are having trouble finding lodging and we will assist in any way possible.

I look forward to seeing you in a few months. Until then, keep fighting for those wronged and those powerless to defend themselves. #blacksuperheroes

Sep 28, 2022 Homecoming Weekend

Wow! I'm still riding high like I did when I crossed in '87: excited, proud and a WEE bit tired...LOL!!!

Michigan's Homecoming Weekend represented our 3rd and final weekend for celebrating the Sigma Chapter of Kappa Alpha Psi's 100 Years of Achievement on the campus of the University of Michigan. This past weekend was top shelf from start to finish: bond, family and friends.

The UMBA and other groups got things rolling Friday Night by welcoming alumni with several happy hours and meet ups, including one co-sponsored by fellow chapter brothers: Othell Little and Ernest Robinson. Nupes were well represented in Ann Arbor and Detroit. The vibe was great at every spot and Brothers were definitely looking forward to the Tailgate on Saturday, except for us who had to report-to-base at 7:00 AM to set up. #hardbutfair

Saturday's Tailgate at Ferry Field was a full day, multi-era affair. The morning started with Brothers, families and friends fellowshipping before the game. Between 50-75% of the people who came out early attended the game.

Michigan's national ranking will be debated heavily this week given that they didn't dominate in their win against Maryland. However, what won't be debated is if the Nupes' Tailgate on Ferry Field was fire!!!

Hats off to our Neos for transforming a chill morning flow into a day party represented by the D9 and fellow Wolverines. We had over 300 people in attendance. Three up top!!!

[Social Media Friendly (lower res) pics of Tailgate & Brunch]

Turning the page to Sunday, Sigma Chapter held a brotherhood brunch that included past and current Northern Province Polemarchs (Kevin D. Kyles and Michael L. Kinloch and members from AAYI Alumni.

My heart was full after greeting and welcoming all. This included gaining much wisdom and additional nuggets about my father (Hon. Harold Hood - Sigma 1949) from Brothers initiated in 1952, 1953 and 1956. ICYMI…two brothers in the picture below are featured in this interview for our chapter archives: https://youtu.be/MGK3ACA61I8

L-R Bill McCullum (Sigma 1953), Chuck Scales (Alpha Beta 1952), Willie Green (Sigma 1952), and Don Coleman (Gamma Beta 1956)

Our Keynote Speaker, Michael N Berger - Sigma 1998, engaged and enriched us with his message about “Extraordinary courage under extraordinary circumstances”. He delivered insightful and compelling examples about Congresswoman Barbara Lee, Brother Colin Kaepernick and Sigma Chapter Brothers John William Corneal (1922-charter line) and Clarence W. Norris (1924 line).

Given that it was our last event for the year, it was time to recognize many people for their various accomplishments. We started by recognizing Brothers who have been members of Kappa Alpha Psi for at least 50 years. We also recognized Brandon Perry-Sigma 2004 and his line as Top Donating Brother and Top Donating Line.

We welcomed our Neophytes and highlighted the achievements of 3 of them for their efforts in football. We also recognized the past and current Polemarchs.

Planning Committee Recognition

We closed out by recognizing the Centennial Planning Committee. This included highlighting the excellent work of our Program Leads, Key Contributors, and Fundraising Chair and Centennial Programming Chair; please see the list below.

Thanks to https://whoajodyboy.com/ Al Guapo He did an excellent job with the Paddles.

Dear Mr. Hood,

I am pleased and honored to be invited to write in support of Alan Scott White.

Alan Scott White has demonstrated an impressive dedication to documenting and preserving the history of the Sigma chapter of Kappa Alpha Psi. We are pleased that the Bentley Historical Library has been entrusted as the archival home for the chapter's historical records. Alan Scott White's determined work has yielded new information on the founders of the chapter, its members, and the important role of Kappa Alpha Psi at Michigan. His great work ensures that this history is memorialized, celebrated, and available to future generations.

On behalf of the Bentley Library, I offer my sincere thanks and appreciation to Alan Scott White.

Hey Omari, it's Deb at Zapier! (I'm a real person, I promise.) Your community over at SCP reached out to tell us about all the amazing things you've done to streamline the foundation's work, and we were so jazzed to hear about it. It sounds like you've really made the most of Zapier—turning PayPal transactions into a PDF? Pretty impressive.

We have a few automation heroes on our team who create all sorts of Zaps that make our lives easier, so I can only imagine how valuable you are to the rest of your team. Thanks for all you do, and of course, for being a Zapier customer!

Keep doing what you're doing, and keep us posted on all the cool things you're building. Good luck to you and the rest of your alumni team. Go Blue!

CREATE the FUTURE CELEBRATING 10 YEARS

September 21, 2022

To the members of Kappa Alpha Psi Fraternity Inc. - Sigma Chapter,

Congratulations on your 100 Years of Excellence! This remarkable milestone is a testament to the deep legacy and lasting impact the 464 initiated members have had--not only within your fraternity, but with the broader community as well.

Your motto, "Achievement in every field of human endeavor" is admirable, and I hope you'll allow me a moment to celebrate one Brother's work in the field of art and design: David Campbell.

David, you have captured the spirit of accomplishment, kinship, and celebration of excellence in the installation you created to honor your chapter turning 100 years. The lives of your members shine through your work, and I know you have done them proud. On behalf of the University of Michigan Stamps School of Art & Design, you have also done us proud as one of our alumni. Thank you!

All our best to the members of the Kappa Alpha Psi Fraternity Inc. - Sigma Chapter on this momentous occasion!

With warm regards,
