The Honorable Rick Snyder
Governor of Michigan

Dear Governor Snyder,

It was an honor to be selected to serve on the commission of the Middle Eastern American Affairs. Since I took assignment, however, my busy medical practice schedule has prevented me from being an effective commissioner, and attending many important activities on behalf of the commission became very difficult to impossible.

I hereby submit my resignation from the commission on Middle Eastern American Affairs effective immediately, hoping that you will be able to find an effective replacement soon.

I thank you sincerely for the opportunity as I am sorry that I could not be of much help to the honorable commission.

Thank very much for what you do every day for the state of Michigan and for the new Americans in this great state.

Sincerely yours,

Bishr Al-Ujayli
